

# Overflow Parking SET UP

- Take white key fob labeled “Annexe” from rack by extractor fan in clubhouse

- Go to village hall annexe – unlock first door at bottom of steps
- Get cones and chain from store room – first door on right as you enter
- The Tesco deer bag has wooden pegs to attach the chain to cones. Use these or you can simply wind chain round tops of cones if it’s not windy.
- Set up as below – starting from top of steps, run a straight line then make a right angle to meet the first kink in the fence
- Unlock the gate - padlock code **4940** and push button on bottom of padlock. Re-attach padlock to gate. Open gate wide and hook up to fence.
- Lock the annexe and return key to key-safe in clubhouse.
